Judge Committee

Judging Sub-Committee Report (June 2018 – June 2019)

Introduction

A week after the AAS AGM 2018, an autonomous five members judges committee (JC) was formed. With the blessing of the newly elected AAS MC, all judges gather at the Sembawang CC conference room to elect the judge committee members. Mr. Leong F K and Mr. David Tan were elected as Chairman and Deputy Chairman, respectively. While Mr. Eugene Chaim, Mr. Patrick Leong and Mr. Khor Jia Min were elected as committee members. The

composition of the JC is well balanced with International Judge (IJ) taking the leadership roles and the members consist of two Continental Judge (CJ) and a National Judge (NJ) which can ensure that the CJs and NJs needs are not neglected.

Since the formation of the JC, the JC have met twice. The meeting gives us time to look back over what has happened in 2018 and consider any changes to judging which may need to be applied. We discussed on our work plan and budget for 2019. We also discussed about establishing a standard method for communication among the Judges Committee and communication among the judges. The JC also agreed to establish a re-accreditation procedure for our judges so that all judges are updated and stay connected to the AAS by contributing mandatory service hours to AAS organised events (including trials).

Achievements

All our IJs passed their IJ re-accreditation tests and were re-accredited as IJ till year 2023.

In year 2019, our IJs and CJs were appointed to officiate at the under-mentioned regional and international events;

1. Asia Cup Stage 1 - Bangkok
2. 5th Fazza Para Archery Championships – Dubai
3. World Cup Stage 2 - Shanghai
4. World Para Archery Championship – Netherlands
5. World Archery Championships - Netherlands
6. Tokyo Olympics Test Event - Tokyo
7. Asian Archery Championships – Bangkok
8. World Archery Youth Championships - Madrid
9. Sea Games 2019 – Philippines
10. ASEAN Para Games - Philippines

Development Plans

With the mandatory retirement (due age) of one IJ in year 2021, 2022 and 2023, respectively the JC main priority is to train sufficient judges to fill up the shortfall of IJ in Singapore from year 2021. Therefore, the JC plans to conduct at least one National Judge

Training course from year 2018 till year 2023. Our target is to have a team of 20 to 25 judges (at least 4 IJs and 6 CJs) in Singapore. JC will also be asking for budgets, to look for continental or world ranking events for NJ and CJ to participate so as to fulfil the conditions for advancement and conduct preparatory training for their respective upgrading seminar. We have shortlisted 3 NJs for the forthcoming NJ to CJ upgrading seminar at Bangkok but unfortunately due to work commitments none of them can attend this upgrading seminar. The JC is also ambitious in getting the AAS to bid for holding the World Archery Judges Conference in Singapore in year 2021 but we understand the current AAS financial limitation, as such, this is put on hold till all AAS issues are resolved after the forthcoming AGM.

To date we have planned the following events till 2019;

1. National Judge Training Course – Completed November 2018
2. Annual Judges Refresher Training – Completed December 2018
3. Mid-year Coaches Workshop – Completed April 2019
4. Mid-year Judges Refresher Training – Completed June 2019
5. CM and DOS Training – On hold
6. Para-Archery Rules Workshop – On Hold
7. National Judges Training – October 2019
8. Coaches Workshop – November 2019
9. Annual Judges Refresher Training – December 2019

Conclusion

The Judges Committee is very pleased with our current judges' development. As of 30th April 2019, we have four National Judge Candidates who will be recognized as full National Judges this year (Anthony Tan, Leong SC, Sng M W and Angie Ng) as well as five other candidates who have expressed interest in beginning their OJT. Our judge development has been on going and we have National Judges Training Course in October 2018 which attracted 11 participants. (10 passed the final examination but one does not wish to continue). Currently we have five International Judges, four Continental Judges, nine National Judges, five National Judge Candidates.
